

Town of Coxsackie
Solar Array Fee Application Resolution
June 14, 2016

WHEREAS, the Town Board of the Town of Coxsackie has enacted a local law regulating the application and construction of solar arrays (solar collector systems) in the Town, and

WHEREAS, such local law authorized the Town Board to set application fees for the review of such projects, to be collected by the building department.

NOW THEREFORE IT IS HEREBY

RESOLVED, that the application fees for the approval of solar collector systems shall be as follows:

Groups eligible for the expedited process (up to 12 kilowatts) the application fee is \$85.00.

For all other user groups (over 12 kilowatts) the fee shall be .50 per square foot of collector area.

In addition to the above application fees, site plan, special use and ZBA variance fees may apply.

Said resolution was offered by Richard Hanse. A motion to adopt the resolution was made by Patrick Kennedy seconded by Michael Veeder and duly carried.
