The following Procurement Policy will be continued:

WHEREAS, Section 104-B of the General Municipal law (GML) requires every town to adopt internal policies and procedures governing all procurement of goods and services not subject to the bidding requirements of GML, Section 102 or any other law; and

WHEREAS, comments have been solicited from those officers of the Town involved with procurement,

NOW THEREFORE, BE IT RESOLVED: That the Town of Coxsackie does hereby adopt the existing Procurement Policy and procedures for the year 2017:

Guideline 1. Every prospective purchase of goods or services shall be evaluated to determine the applicability of GML, Section 103. Every Town officer, board, department head or other personnel with the requisite purchasing authority (hereinafter Purchaser) shall estimate the cumulative amount of the items of supply or equipment needed in a given fiscal year. That estimate shall include the canvass of other Town departments and past history to determine the likely yearly value of the commodity to be acquired. The information gathered and conclusions reached shall be documented and kept with the file or other documents supporting the purchase activity.

Guideline 2. All purchases of (a) supplies or equipment which will exceed \$10,000 in the fiscal year of (b) public works contracts over \$20,000 shall be formally bid pursuant to GML, section 103.

Guideline 3. All estimated purchases of:

*Less than \$10,000 but greater than \$3,000 require a written request for a proposal (RFP) and written/fax quotes from 3 vendors.

*Less than \$3,000 but greater than \$1,000 requires an oral request for the goods and oral/fax quotes from 2 vendors.

*Less than \$1,000 but greater than \$250 is left to the discretion of the Purchaser.

All estimated public works contracts of:

*Less than \$20,000 but greater than \$10,000 requires a written RFP and fax/proposals from 3 contractors.

*Less than \$10,000 but greater than \$2,000 requires a written RFP and fax/proposals from 2 contractors.

*Less than \$2,000 but greater than \$500 is left to the discretion of the Purchaser.

Any written RFP shall describe the desired goods, quantity and the particulars of delivery. The Purchaser shall compile a list of all vendors from whom written/fax/oral quotes have been requested and the written/fax/oral quotes offered.

All information gathered in complying with the procedures of this Guideline shall be preserved and filed with the documentation supporting the subsequent purchase or public works contract.

Guideline 4. The lowest responsible proposal or quote shall be awarded the purchase or public works contract unless the Purchaser requires a written justification providing reasons why it is in the best interest of the Town and its taxpayers to make an award to other than the low bidder. If a bidder is not deemed responsible, facts supporting that judgment shall also be documented and filed with the record supporting the procurement.

Guideline 5. A good faith effort shall be made to obtain the required number of proposals or quotations. If the Purchaser is unable to obtain the required number of proposals or quotations,

the Purchaser shall document the attempt made at obtaining the proposals. In no event shall the inability to obtain the proposals or quotes be a bar to the procurement.

Guideline 6. Except when directed by the Town Board, no solicitation of written proposals or quotations shall be required under the following circumstances:

- a) Emergencies;
- b) Sole source situations;
- c) Goods purchased from agencies for the blind or severely handicapped;
- d) Goods purchased from correctional facilities;
- e) Goods purchased from another government agency;
- f) Public works contracts for less than \$500.00.

Guideline 7. This policy shall be reviewed annually by the Town Board at its Organizational Meeting or as soon thereafter as is reasonably practicable.

The following guidelines for public conduct will be continued:

RESOLUTION #27

GUIDELINES FOR PUBLIC CONDUCT during Town Board Meetings:

1. The Supervisor, when present, shall preside at the meetings of the Town Board. In the absence of the Supervisor, the Deputy Supervisor shall be the acting Supervisor, or in the event both the Supervisor and the Deputy Supervisor are absent, the other members shall designate one of their members to act as temporary chairman. The vote upon every question shall be taken by ayes and noes, and the names of the members present and their votes shall be entered in the minutes. Every act, motion or resolution shall require for its adoption the affirmative vote of a majority of all the members of the Town Board.
2. No additional matters are to be considered until each matter on the prepared Agenda has been acted on by the Town Board.

days prior to a special meeting of the Town Board. Copies of agendas and proposed resolutions shall be available to the public, within the same time frame, from the Town Clerk. This does not preclude later additions to the agenda, including proposed resolutions, from being added as deemed necessary by the Town Board.

This Board does hereby authorize its Town Officers and employees to attend the annual meeting of the Association of Towns of the State of New York, and any other courses for training for their respective office provided by Town and County Officers Training School, etc., for the year 2017.
