

## **COVID-19 Emergency Contingency Plan**

Coxsackie Village Mayor Mark Evans and I have initiated a joint and coordinated program to assist people who are quarantined, elderly or are unable to get food and limited supplies. We have established a single point of contact at Coxsackie Village Hall: (518)731-2718 or email the Village Clerk at [nbereznak@villageofcoxsackie.com](mailto:nbereznak@villageofcoxsackie.com) for BOTH Town of Coxsackie or Village of Coxsackie residents.

Any Town or Village resident who is quarantining or elderly and needs assistance can call Coxsackie Village Hall. The clerks will take your information, add your name to a confidential master list and then contact the Food Pantry. Coxsackie Rotary Club will make deliveries. This system will be implemented when and if necessary. Please check back on this page daily for any updates.

If a resident has any unmet needs, please contact Mayor Evans directly at (518)441-8665 and we will assist them or direct them to the appropriate people.

Rick Hanse  
Coxsackie Town Supervisor
